David -

Thank you for your email. As I mentioned on Thursday as I was leaving your offices, I was out of town last Friday and am going to be out of town again Wednesday through Friday of this week. As a result of

Ex. 5 - Deliberative

5th or 6th work for me. If they also do for you, please propose a time.

Best regards,

Hi Stacey,

It was good to see you again this morning. Per our conversation after the meeting, please try to find some time in the next few business days to speak further with me (and our respective teams, if possible).

Ex. 5 - Deliberative

discussed, I believe that we can address this matter fully and efficiently by telephone without any further delay. I will make myself available at your earliest convenience and please don't hesitate to contact me by Blackberry if you need to reach me outside of regular business hours.

Thanks again and I look forward to speaking with you again soon. Best regards, David
